1  
"Come and see", said Jesus,  
"What my life must be:  
Saving, healing, teaching,  
Drawing souls to me.

2  
Come and see my actions,  
See the hungry fed,  
People anxious, searching;  
I will give them bread.

3  
Come and see them seeking,  
Looking for the sign  
Of a saviour's presence;  
I will give them wine."

4  
"Come and see", says Jesus  
To his people here,  
"Seek and you shall find me,  
Feel my presence near."

5  
So we come, Lord Jesus,  
Finding, as we search,  
Love and faith abiding,  
Centred in your Church.

6  
Use our lives thus strengthened  
So that we may be  
Bringing others to you,  
Saying "Come and see."
