1
You healed the sick O Lord,
those ill in body, mind,
gave them the health they craved,
freed lives to pain resigned.
As Luke, the doctor, learned from you,
help those who heal, their faith renew

2
As Luke with courage went
to heal, restore and teach,
obedient to his Lord
in spirit, action, speech,
give doctors, nurses, clergy too
the healing power that comes from you

5
We follow in Luke's steps,
physician, writer, saint,
to bring Christ's health to all
the sick, the frail, the faint;
throughout the world the broken heal;
to humankind your love reveal.

3
Give wisdom that accepts
whatever life may bring –
the disappointments, hurts,
the cost of suffering;
teach us to trust in all we do
that to our calling we stay true.

4
Hold those within your care
with minds depressed, confused,
the lost, abandoned, old
that none may be refused
relief from loneliness and pain.
Uphold them Lord, their hope sustain.
