

2
 Stir up in us, O Lord,
 such zeal, inspired by you,
 that we may be empowered
 in all we plan and do.
 We give you thanks for life and health -
 your boundless love our greatest wealth.

2
 Stir up in us, O Lord,
 concern for others' needs.
 May we reflect Christ's love
 in all our words and deeds.
 Help us by faith the wrongs to right,
 the wounds to heal, the darkness light.

3
 Stir up in us, O Lord,
 awareness of earth's pain -
 seas ravaged, forests felled,
 for the exploiter's gain.
 May we reject the cult of greed,
 conserve, protect, respond to need.

4
 Stir up in us, O Lord,
 passion for equity,
 a vision to fulfil
 that sees all people free
 from fear, oppression, hunger, war.
 May Christ be born in us once more.
